PETITION FOR NON RESIDENT MILITARY FEE WAIVER

A student attending an institution on full-time active duty in the armed forces is considered as having a temporary residence in the state in which he/she is attending school; therefore, a student neither gains nor loses resident status solely by such military service. Members of the armed services stationed in Oklahoma, their spouses and dependent children shall be admitted without the payment of nonresident tuition so long as they continue to be stationed in the state in full-time military service and under military orders. While the policy clearly states that nonresident tuition will be waived for military personnel, such a waiver does not constitute Oklahoma resident status.
